

RCEA
Liaison Protocol

5.1.2 The basic purpose of the Building Liaison is to establish and maintain positive relationships and communication among the faculty and the administration. The Building Liaison will be able to:

- (a) Provide a vehicle by which faculty can feel assured that their Association interests and perspectives are shared.
- (b) Provide a vehicle for reviewing and discussing school problems and practices.
- (c) Provide a vehicle for bringing issues of concern to teachers before the school administration in an orderly and productive manner.
- (d) Provide a vehicle for quickly stopping the spread of rumors and misinformation.
- (e) Provide an opportunity for both teachers and administrators to maintain a clear understanding of each other's needs.
- (f) Provide a process for developing and maintaining and more efficiently run schools where teaching and learning have an improved opportunity to prosper.
